PROFILE

Senior Flutter Developer with 6 years of experience building scalable, high-performance cross-platform mobile applications. Skilled in Flutter, Dart, and modern state management solutions such as MobX, Provider, and BLoC. Experienced in banking domain applications and large-scale mobile systems, leading critical modules in platforms like SBI YONO. Strong in API integration, performance optimization, and delivering seamless user experiences.

WORK EXPERIENCE

Senior Flutter Developer

Tata Consultancy Services (TCS), Hyderabad

05/2025 – Present

- Working on SBI YONO mobile application, one of India's largest banking apps
- Contributed to a large-scale banking application serving millions of users
- Improved application performance and reduced latency through optimized state management and API handling
- Implemented Accessibility best practices to improve usability for users with disabilities, including semantic widgets, screen reader support, proper focus management, and accessible UI components.
- Leading and contributing to multiple critical user journeys:
 - Forex Card Journey (Lead):
 - Owned end-to-end development and delivery
 - Implemented scalable architecture and optimized performance
 - GSA (Group Sampoorana Arogya) Purchase Journey:
 - Developed key modules and handled API integrations
 - DigiLocker Integration:
 - Integrated DigiLocker across multiple user journeys, enabling secure document access, consent management, and seamless user onboarding

Flutter Developer

SkyisLimit Technologies Pvt Ltd

09/2022 – 04/2025

- Developed scalable CRM and ERP mobile applications used for business operations and workflow automation
- Implemented scalable architectures using Provider, BLoC, GetX
- Developed features including attendance tracking, leave management, expense tracking, and order management
- Designed offline-first solutions using SQLite
- Improved performance and app responsiveness across devices
- Followed Agile practices with unit and widget testing

Flutter Developer

Pebery Technologies Pvt. Ltd

03/2021 – 09/2022

- Developed multiple cross-platform apps (matrimony & education)
- Integrated Firebase (Auth, Firestore) for real-time data
- Designed responsive UI/UX
- Implemented REST APIs for backend communication
- Debugged and optimized app performance

Flutter Developer Intern

Pebery Technologies Pvt. Ltd

10/2020 – 02/2021

- Built foundational knowledge in Flutter and Dart
- Worked on Firebase and API integration
- Participated in Agile development and code reviews.

SKILLS

- | | | | | |
|------------|----------------|------------|--------|----------------------|
| • Flutter | • Dart | • Firebase | • Git | • SQL |
| • Provider | • BLoC | • CI/CD | • MVVM | • Clean Architecture |
| • SwiftUI | • Unit Testing | • MobX | • MVC | • Agile/Scrum |

ACTIVITIES / ACHIEVEMENTS

- Participated in TCS AI Hackathon (AI Friday Season 2) as part of SBI YONO 2.0 team
- Developed an AI-powered chatbot using Python and Gemini LLM
- Implemented Retrieval-Augmented Generation (RAG) to reduce hallucinations and improve response accuracy
- Ensured security by masking sensitive user data such as personal and password information

PROJECTS

SBI YONO

- Developed and maintained core modules using Flutter and MobX state management.
- Led the Forex journey development, overseeing feature implementation and performance optimization.
- Contributed as a key team member to the GSA Purchase (Group Sampurna Arogya) journey development.

CSB Salesfokuz – Banking Sales CRM

- Built a sales management app for CSB Bank using Flutter (MVVM + Provider).
- Secured data with SQL and integrated REST APIs for cross-platform sync.
- Added CRM customization for banking workflows and automated testing (unit/widget tests).

Other Projects

- Dataguru: Multi-role education app with attendance & notifications
- Factfokuz: Employee management app with offline support (SQL), location updates, and multi-language support
- Tallyfokuz: Order management with pricing engine
- Vastra: Barcode-based inventory system
- Dallaal: Matrimony app with chat & matching
- Nrithya: Learning platform with video & quizzes

EDUCATION

- | | |
|--|-------------------|
| • Bachelor of Science in Electronics | 06/2015 – 05/2018 |
| Mahatma Gandhi University, Kottayam, Kerala | |
| • Diploma in Computer Application | 04/2013 – 12/2013 |
| Xeon Computers, Kottayam | |
| • H.S.E(Science) | 04/2013 – 03/2015 |
| Technical Higher Secondary School, Puthuppally, Kottayam | |
